Located on Salt River Pima-Maricopa Indian Community east of central Scottsdale. Talking Stick Golf Club is the newest Troon Golf facility in Arizona. Open for breakfast and lunch daily, the upscale appeal is particularly attractive to shoppers and businesses in the nearby Pavilions shopping center as a change of pace from fast food options.

MENU BANQUET

The menu at Talking Stick treats guests to the local flavor with Native American touches such as the fry bread taco with machaca beef, Anasazi beans, and sprouts. Guests are sure to enjoy the steak and lobster sandwich served with corn relish. On a lighter note, try the scallop martini appetizer with tender smoked scallops, olives, fresh spinach tossed in a vodka vinaigrette.
