Come visit one of Old Town Scottsdale's most unique dining experiences, offering fresh and exciting cuisine with an uncommon fusion of Southwestern flavors and spices. Our extensive menu selections boast such tempting dishes as our "most talked about" beef tenderloin roll, stuffed with Anaheim chilis and Dungeness crab and served with our guajilo mushroom sauce. The aroma from our wood-fired pizza oven will undoubtedly bring out your craving for a Southwestern pie, such as our Tucson steak pizza. Your experience isn't complete without indulging in one of our signature margaritas featuring an enormous selection of premium tequilas carefully prepared using only the freshest citrus juices.
