Saguaro's

Saguaro's offers casual upscale dining, cowboy cuisine with a southwestern Scottsdale fusion. Saguaro's exquisite cuisine may be experienced indoors in our southwestern dining room, outdoors on our patio serenaded by the sounds of waterfalls and the crackling of a fireplace or private in-room dining for our overnight guests. Saguaro's has the perfect ending to your culinary experience...roasting marshmallows under the stars. After dinner, The SunBurst Resort invites you to enjoy our lush grounds as you roast marshmallows at any one of our many fire pits under the gorgeous evening skies of Scottsdale. Saguaro's serves breakfast from 6:30am-11:00am, lunch from 11:00am-2:00pm and dinner from 5:00pm-10:00pm. In-room Dining and Lobby Bar menus are served until 11:00pm daily.

Chef's Corner

Executive Sous Chef, Patrick Casey, joined Saguaro's in December 2001! His background includes Arizona favorites: Hops! Bistro and Brewery, Harris', and The Velvet Room. Patrick started cooking at the age of twelve, at his parents' restaurant in Massachusetts. He specializes in contemporary American cuisine with a focus on Southwestern/Western flavors. Coming from New England, bringing in fresh seafood has been a focus on most of his Arizona menus, and will continue at Saguaro's. Patrick prides himself on sourcing the freshest meats and seafood available, and pairing them with the valley's best seasonal produce.
