hand blown chandelier, to the East a bar with a rotating wall of diverse colors, to the West an elevated plush VIP booth. Gold lighting showers the lounge, emphasizing the soft earth color scheme, creating a subtle ambiance. A frost-top bar keeps specialty martinis and fine wines chilled to perfection while you enjoy the relaxing atmosphere, good conversation and sensational jazz music.

Chef Tim Hoobler's exclusive menu features an array of fine cuisine with a Euro-Asian influence. Dining options include the comfortable lounge area arranged particularly for your gathering or scenic outdoor patio, equipped with both misters and heaters for any kind of climate.
