* Posting on links pages can draw some nice attention to your site, increase hits and generate extra sales, depending on how YOU write the title/ad of your link. When posting, many scripts sends out a "thank you..." email, confirming that your link was posted! That's how this game works... Think about it, thousands of link page owners allow YOU to advertise for FREE on these links pages. So, if you get a lot of confirmation mail after posting, it only shows that it worked and your ad was posted and accepted! We recommend setting up a special e-mail address for the Unique Banner Exchange program. We use a free hotmail.com e-mail address. **UBE HAS NO CONTROL OVER WHAT HAPPENS TO THIS E-MAIL ADDRESS.** Gold Team Members may request not to receive confirmation e-mails. UBE will have the confirmation e-mails sent to our e-mail address. But remember the e-mails let you know that we are upholding our end of the bargain. To opt out of receiving confirmation e-mails just contact the [UBE webmaster](#).

Do not make duplicate requests for the same page. FFA Links Page software will block duplicate URLs and some will block future submissions. It is perfectly okay to have us make multiple submissions for you, just make sure it is for different pages. (within reason)

We reserve the right to refuse service. Please no adult, illegal, hate or otherwise inappropriate sites. The number of FFA Links Pages submitted to is subject to change without notice.
